

# IWATA GODO Global Practice

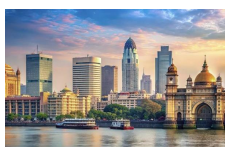

We address cross-border matters and the international legal needs of domestic clients through our ASEAN Desk and by working closely with leading law firms in various jurisdictions, including through our global networks, TerraLex and PrivacyRules. For international clients, we provide comprehensive legal services relating to Japanese law.

## Available Areas

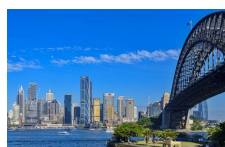

ASEAN Desk  
(Southeast Asia)

India Desk / South Asia

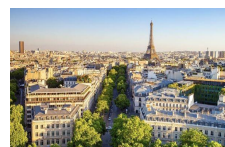

East Asia

Oceania

North America,  
Central and South America

Europe, Middle East  
and Africa

TerraLex is a global network of leading law firms in more than 130 countries, comprising over 23,000 lawyers.

As a member of TerraLex, Iwata Godo collaborates with overseas law firms through this global network for outbound matters. For inbound matters, we assist foreign clients with their legal needs in Japan.

PrivacyRules is an international organization whose members include lawyers and law firms specializing in data privacy, as well as cybersecurity firms and incident response firms. As a founding member of PrivacyRules, Iwata Godo has collaborated extensively with member law firms and other organizations within the network.

## IWATA GODO India Desk

Given India's prospects for further economic growth and the continued expansion of our domestic clients' businesses there, Iwata Godo has established a framework for providing a broad range of legal services through relationships with law firms in major Indian cities. We also offer seminars providing practical information to companies considering expansion into India.
