

Opening of Sapporo Office

Iwata Godo is pleased to announce that it opened its Sapporo office on September 21, 2023, in line with an increase in the scale and activities of our practice, so that we can provide our clients in Hokkaido with more comprehensive legal services.

Eiguchi Manabu, a partner with extensive experience in responding to investigations by public agencies, managing third-party committees, and conducting investigations, as well as in dealing with corporate matters, will transfer to the Sapporo office and support clients in a wide range of fields, in cooperation with other attorneys.
